[09:57] <critical\_for\_d4ys> are they banned

[09:57] <thatanonyraccoon> the irony is that the people who usually get mad at us for cheering DSP are NEETS who don't watch other Twitch streamers

[12:07] <skooma\_dealer> i heard amazon is trying  
[12:07] <dinohands> merry christmas  
[12:07] <skooma\_dealer> google vs amazon  
[12:07] <darksydephil> Amazon just trademarked and patented stuff for their own VOD website  
[12:07] <skooma\_dealer> titan fight  
[12:07] <darksydephil> so....possibly GGPO youtube soon  
[12:07] <convertedclone> well if they kill off youtube there goes phil's business :\br/>[12:07] <skooma\_dealer> interesting  
[12:07] <iradiumviking> the problem with streaming and vods is that it still needs extreme ammounts of bandwith and it is still not that cheap  
[12:07] <sam\_scratch> get anything good for Christmas?  
[12:07] <arcticsurface> Sup doods  
[12:07] <nich2440> no one kills youtube because people still go there for videos  
[12:07] <signintouseapp> merry christmas phil  
[12:08] <arcticsurface> Ho ho ho, Merry Christmas everyone! Kappa  
[12:08] <derichloveslemur> Phil so this IRL stream will be here on twitch only that right? That way everyone can watch the past broadcast.  
[12:08] <royalfan> I still go there to watch phils vids  
[12:08] <mk4eva> whelp gtg. once again, Merry Xmas to y'all :)  
[12:08] <darksydephil> YouTube will still exist, but it'll be 100% garbage drama vlogs and crappy daily bullshit that nobody cares about. the ultimate fluff website that you can ignore and miss nothing  
[12:08] <omgzelda> this video game christmas music is pretty cool

[12:08] <thatanonyraccoon> Youtube NEEDS to exist  
[12:08] <skooma\_dealer> tfw i remember old you tube  
[12:08] <thatanonyraccoon> i need Tommy Wiseau interviews :(  
[12:08] <skooma\_dealer> feels bad man  
[12:08] <leewanner> I'm eating Warhead sour candy canes, doods. Amazing stuff.  
[12:08] <darksydephil> everyone else will go to the amazon VOD site. its too late, theres far too much negative association with youtube for it to continue  
[12:08] <skooma\_dealer> im so fucking old  
[12:08] <dinohans> yes its true  
[12:08] <exduckcaliber> @darksydephil Phil will you upload the irl part to YouTube?

[12:08] <nich2440> i just upload to youtube and embed the videos on my website  
[12:09] <darksydephil> yes, thsi video will be uploaded to my vlogging channel. it'll be demonetized but whatever  
[12:09] <suckasurprise> @ThatAnonyRaccoon Tommy is getting involved with social media these days, you should check out his twitter it's hilarious  
[12:09] <thatanonyraccoon> Youtube will live on for awhile, it's got too much content already for the masses to abandon it  
[12:09] <psyoctopi> atpQuan  
[12:09] <iradiumviking> if not someone creates some nifty p2p videosharing service that don't require enourmous datacenters to share videos.  
[12:09] <signintouseapp> Amazon have taken youtube off the kindle fire stick  
[12:09] <skooma\_dealer> im proly one of the few people that understands phils jokes  
[12:09] <derichloveslemur> @darksydephil how about leaving it as a past broadcast too  
[12:09] <thatanonyraccoon> @suckasurprise thanku, i can't get enough of Tommy

[12:09] <pr34ch> well DarksydePhil i dont think google wil care that much if yt would cease to exist  
[12:09] <thatanonyraccoon> Tommy Wiseau playing Dark Souls dspYuck  
[12:09] <skooma\_dealer> its starting  
[12:09] <darksydephil> for example, if amazon does make this VOD website and the agreements only allow for monetization on one site, then ill have to make a choice  
[12:09] <iconicchristian> ok  
[12:10] <signintouseapp> So Amazon have a video service or something now ?  
[12:10] <thatanonyraccoon> <https://twitter.com/TommyWiseau/status/944480938431455233>  
[12:10] <skooma\_dealer> i love tommy

[12:31] <tiltedahrimain> pathetic  
[12:31] <arcticsurface> @TheRavenORG Im almost sure he would cheat again.  
[12:32] <me\_\_god> @jkramer1331 that's for the best actually  
[12:32] <convertedclone> that's worth a redemption run in itself  
[12:32] <tiltedahrimain> shut up not tipping  
[12:32] <bethelewd> no hot chocolate for me kate  
[12:32] <arcticsurface> @TheRavenORG That mission takes a lot of patience and idk patient Phil is. LUL  
[12:32] <jkramer1331> @me\_\_god what do you mean?  
[12:32] <theravenorg> @Arcticsurface I think the old DSP was more patient, so him attempting flying school again would probably just end the playthrough there.  
[12:32] \* willhart10 just subscribed with a \$4.99 sub!

[12:32] <arcticsurface> how patient\*

[12:32] <crimsondisco> new to the streams, does Phil always spend like 30 minutes talking about money? :1

[12:32] <katexo234> egg nog bethe?

[12:32] <glitch\_crazed> Hello everyone, just stopping by to say Merry Christmas!

[12:32] <bethelewd> kate you know i dont like that

[12:32] <me\_\_god> in pubg there are times when all you do is run

[12:32] <ccous666> taxes? wow

[12:32] <ccous666> sry buf

[12:32] <derichloveslemur> @arcticsurface itâ€™s a Tim Schafer point and click game

[12:32] <teenagedirtbag1> ferretNULL

[12:32] <waifudestroyermatt> does phil not realise 95% of the people here are here every day and have heard this a million times before

[12:32] <me\_\_god> in fortnite, you get enemies almost right away

[12:32] <ningen\_sama> @crimsondisco yes LUL

[12:33] <katexo234> Orange juice then bethe

[12:33] <moonbah> hi TriHard 7

[12:33] <bethelewd> kate yeah i guess

[12:33] <jkramer1331> @me\_\_god I know, as soon as I get into a house I get killed, itâ€™s so stupid

[12:33] <convertedclone> but he's more focused on proving himself these days. He'd grind through flight school again just to prove he could

[12:33] <xbox1\_is\_garbage> Gg

[12:33] <arcticsurface> @TheRavenORG Thing with Flying School is that you can restart quickly on the fly, Phil's biggest complaint about replaying shit was the driving he had to do to get there.

[12:33] <omgzelda> im in a turkey coma and hungover FeelsGoodMan

[12:33] <willhart10> i just subbed

[12:33] <arcticsurface> Welcome. :)

[12:34] <pr34ch> omgzelda drink some wine it helps

[12:34] <bethelewd> dean ambrose tipped or cheered for phil

[12:34] <katexo234> PogChamp PogChamp

[12:34] <theravenorg> @Arcticsurface Yea, that's true. But overall, I'm okay with cheating the end territory gang grind, but at least play the last mission legit.

[12:34] <bethelewd> thought he got injured

[12:34] <willhart10> dspHmm

[12:34] <hobbs1017> goldencolts just wants attention if he wanted to rly support phil he would do 1 big cheer a day and leave it at that just my opinion

[12:34] <bionich00t> ...

[12:34] <katexo234> golden Colts must be rich

[12:34] <ccous666> real love

[12:34] <arcticsurface> @TheRavenORG Yeah, now that im thinking about it i dont even know why i did that grind legit, that was boring as hell.

[12:34] <signintouseapp> does phil have a Switch ?

[12:34] <heavensward85> If goldencolts really cared, he's tip or buy Teespring.

[12:34] <theravenorg> @Arcticsurface lowkey I cheated it too lol

[12:34] <mightyprime1> dsp play jackbox

[12:35] <derichloveslemur> Merry Christmas @theravenorg

[12:35] <bethelewd> kte he cheers overnight everyday so yeah must be

[12:35] <convertedclone> well, doing a bunch of tiny donations supports him and gets attention, so it's a win-win

[12:35] <arcticsurface> @TheRavenORG I dont think any last mission compares to GTA III's last mission, that mission was hell cause the game was archaic as fuck.

[12:35] <stylez\_deneal> Merry Christmas everyone and Phil

[12:35] <ccous666> @signintouseapp yh mate

[12:35] <theravenorg> @Derichloveslemur Merry Christmas man! :)

[12:35] <arcticsurface> Merry Christmas peeps

[12:35] <thatanonyraccoon> Golden Colts owns a company that sells guns to the Taliban

[12:35] <convertedclone> yeah gta3's last mission was insane

[12:35] <concretecasket> cheer100 merry Christmas Phil! The playthroughs this year have been sick, cheers to another year of streaming.

[12:35] <bethelewd> COON PogChamp

[12:35] <theravenorg> @Arcticsurface Yea, the last mission wasn't too hard; which is why I disliked him cheating without at least attempting to try it.

[12:35] <me\_\_god> mhh..

[12:36] <me\_\_god> this is confusing

[12:36] \* bethelewd gives coon a christmas kiss

[12:36] <suckasurprise> @ThatAnonyRaccoon I Think golden colts just owns a company that manufactures twitch bits

[12:36] <bethelewd> tastes of turkey

[12:36] <stylez\_deneal> how everyone doing?

[12:36] <wouldyoulikesomeballz> goldencolts swims in bitcoin like scrooge mcduck

[12:37] <jonathan\_snow> so that means double dip the viewers? not sure how that will work out.

[12:37] <me\_\_god> what about patreon perks? still the same?

[12:37] <convertedclone> GoldenColts has 3 bitcoins, that's why he's so loaded

[13:20] <whatzupleutz> as far as I heard, you cannot get that partnership level with a banned addsense account, however thats just stuff I heard In regards to another youtuber and I cannot confirm that yet, does anybody have any information that can debunk or confirm that?  
[13:20] <thatanonyraccoon> @bentboxer Fred Fuchs is a college graduate  
[13:20] <takii> I loved the pounding KappaPride  
[13:20] <arcticsurface> Seriously what was Phil even doing lol, being bad at games and calling Kojima a fucking cocksucker? dspWowdude, what a bad person.  
[13:20] <theravenorg> y'all pounded his cheeks smh  
[13:21] <mightyprime1> spread the cheeks for pounding

[13:21] <derichloveslemur> Yeah Curse,  
[13:21] <mightyprime1> amazon FTW

[13:21] <takii> OOH this is darksydephil that streamed at 10k bitrate and burned our servers Kappa

[13:22] <derichloveslemur> @thatanonyraccoon How about Macho man?  
[13:22] <sardarkh> Twitch advice needed quite a lot of time to sink in his brain  
[13:22] <derichloveslemur> Macho Man Randy Savage  
[13:22] <convertedclone> what about the other advice tho  
[13:22] <aloofone> !uptime  
[13:22] <thatanonyraccoon> @Derichloveslemur stupid Macho Man should've hit the brakes  
[13:22] <theravenorg> If Google and Amazon ever go to war our technology will go from 2018 to 3018 within a few months  
[13:22] <scruffshark> : )  
[13:22] <bethelewd> coon i wish he did  
[13:22] <takii> we had allot of work to convince u to go to back to twitch LUL @DarksydePhil  
[13:22] <derichloveslemur> @thatanonyraccoon Macho Man is Awesome.  
[13:23] <scruffshark> Gonna be cooking off and on so I'll be listening in from the background.  
[13:23] <takii> they are at war @TheRavenORG  
[13:23] <hindae> @DarksydePhil Since youre changing patreon, why not change it to be simple multiples of votes? \$5 for 1, \$10 for 2 etc.  
[13:23] <takii> amazon doesnt list google products and google removed it from youtube LUL  
[13:23] <xbox1\_is\_garbage> δÝ~®  
[13:23] <jkramer1331> So then where is project 7?  
[13:23] <rtucker913> Patrons should be satisfied with what they get, because they at least get something  
[13:23] <iradiumviking> Yes, Listen and belive. I wonderwhere I have heard that before :D  
[13:23] <arcticsurface> Seriously, if all i ever did was watch negative videos about people then of course i'd think they are the scum of the earth, it could be the same for any person, not just Phil. LUL  
[13:23] <thebadmatter33> can you disprove the lies?  
[13:23] <provenmac> ela2  
[13:23] <cooter\_baggins> that's not true at all, Project 7 was never delivered  
[13:23] <signintouseapp> It shouldnt matter what it says you have done on the internet as people dont have a right to judge others, unfortunately they think they do.  
[13:24] <whatzupleutz> @TheRavenORG depends on how they fight the war, we could also take steps back if they start to shit like suing each other about patents they bought and shit like that  
[13:24] <theravenorg> @Takii I mean a full blown out war not taking the youtube app off of a tablet lmao  
[13:24] <aloofone> how long has he been streaming?  
[13:24] <deluxeboi> what about sunshine?  
[13:24] <convertedclone> the problem is paying that much money for just a trailer is a little much  
[13:24] <deluxeboi> persona 3?  
[13:24] <superslygaming> i think trolls forget there is a real person behind who theyre trolling  
[13:24] <jkramer1331> What happened to project 7 money?  
[13:24] <takii> not listing google products on the amazon site is a pretty big deal @TheRavenORG  
[13:24] <katexo234> there's some guy on YouTube who makes negative videos about Phil like everyday like daq fuck NotLikeThis  
[13:24] <theravenorg> Let's be honest here though, BOTH google and amazon would fall to Disney. That damn mouse smh  
[13:24] <rtucker913> He had legit reasons to do all those "bad" stuff  
[13:24] <8pac37> Yo dsp what's going on my brother? Still begging for money I see...  
[13:24] <superslygaming> KappaPride ill partner with u phil

[13:24] <derichloveslemur> @theravenorg Twitch is better than YouTube because you get behind the scenes.  
[13:24] <me\_\_god> the goal wasn't for the full project 7. it was for a trailer that didn't work out. persona 3 was supposed to be a 10hr playthrough  
[13:24] <suckasurprise> I think a lot of people only see the negative side from detractor videos that skew everything to make Phil look bad, if they actually checked out his stream they'd realize he's actually a cool guy  
[13:24] <devkitgaming> hey guys  
[13:24] <convertedclone> LOL 8pac  
[13:24] <trihard4liife> @katexo234 honestly I'd be laughing to have people make videos about me daily. they spend their life on me LUL  
[13:24] <takii> TBH all would fall to TENCENT. They are taking over everything WutFace  
[13:25] <jkramer1331> @8pac37 hahahaha  
[13:25] <xbox1\_is\_garbage> Disney is one of the 5 companies that owns everything so yeah  
[13:25] <theravenorg> @Derichloveslemur I like youtube a bit more because imo creativity strives there  
[13:25] <trihard4liife> @suckasurprise yeah dsp is chill person i think  
[13:25] <convertedclone> yeah fuck disney  
[13:25] <takii> Tencent literally owns almost everything worth owning LUL  
[13:25] <theravenorg> Disney vs Amazon vs Google vs SpaceX would probably be the most lit time of our lives  
[13:25] <rtucker913> It doesn't quite work on YouTube, but if you're happier on Twitch, I won't stop you  
[13:25] <jkramer1331> Is it really a business when you ask for donations?  
[13:25] <derichloveslemur> @theravenorg yeah very true.  
[13:25] <convertedclone> he's chill til he plays ultra street fighter 2 hehe  
[13:25] <devkitgaming> @darksydephil have you heard of legends of the internet  
[13:26] <rtucker913> They're trying to get material to slander and libel you with
